

Stay On-the-Go This Summer with Our Online Services

Balancing weekend trips with family and friends, baseball and softball games, barbecues and other outdoor activities can make summer the busiest time of year. Pile that on top of managing your finances and the season may have you stressing out instead of enjoying the fun.

Thankfully, Community Credit Union may have the solution. We offer online banking through our secure Home CU system. With Home CU, you can be on-the-go without having to worry about making loan payments, transferring funds or checking your account balance. Handling these tasks online may give you more time to spend with friends and family – the best part of life.

With our convenient Home CU system, you can access your secure account information from any computer with Internet access 24 hours a day, seven days a week, and yes, 365 days a year. Also, consider having Social Security and other checks directly deposited into your account. These are a few simple benefits that can allow you more freedom when traveling or attending social functions this summer.

Call, visit our website www.ccush.org, or stop in today and a representative will be glad to help you set up your online account. We can walk you through the process and will gladly answer any questions you may have. Rest assured, we consider the security of your personal information of utmost concern. We authenticate every user and are vigilant in protecting your identity.

Nomination Packages for Volunteer Positions Now Available!

Two (2) positions on our volunteer Board of Directors and two (2) positions on our volunteer Supervisory Committee will be up for election or re-election.* Members interested in running or nominating another member should mail their request for a nomination application package to: Nominating Committee, Community Credit Union, 757 Redwood Drive, Garberville, CA 95542, no later than Monday, Oct. 18, 2010. For further information, call Julie Thomas at **707-923-2012, ext. 128**.

* Positions are for a two or three-year term. The terms will begin following our Annual Meeting on Tuesday, Feb. 15, 2011.
